

HOLSAG CANADA

Seating Manufacturer

Specifications: Carole Chair and Barstool

Description: Styled to the popular “ladderback” design, the horizontal back slats are curved to hug the body. The seat is available as either wood or upholstered. The solid beech hardwood construction and durable wood finish make the Carole line extremely sturdy as well as attractive.

Fabric for upholstered seats:

COM (Customer's Own Material) fabric required (chair and barstool): .36 yard (.33 m) per chair or stool

Note: Fabric amount is estimated on 54" (137 cm) wide material. The actual amount required may vary depending on special pattern matching and the width of the material.

Cushion Foam: High density foam on seat

Wood:

Species: 100% Solid European Beech Hardwood

Construction:

Joints: Mortise and tenon. glued with high solids glue and reinforced with 18 gauge nails, corner blocks and low root woodscrews. Angle brackets are added for strength and stability.

Stain Colours:

A wide range of standard stain colours is available as well as custom colour matching. (A surcharge will apply to custom colours.)

Standard Barstool Kick plates are brass. Chrome or black kick plates are available upon request at the same price.

9-Step Finishing Process:

1. The bare wood of the assembled product is thoroughly sanded using 100 grit paper.
2. One coat of stain is sprayed onto the entire product.
3. The stain is hand wiped to ensure an even colour and maximum penetration into the wood.
4. The product is inspected and any necessary adjustments made.

5. One coat of catalyzed sealer is sprayed onto all wood parts to completely seal the wood.
6. Once dry, the sealer is sanded using 280 grit paper.
7. A final sanding is done using Scotch Brite pads to remove any sanding marks.
8. A catalyzed lacquer is sprayed on. This lacquer is very durable and will stand up in a commercial environment.
9. A final inspection is performed prior to packaging to ensure a high level of quality control.

Note: Specifications are subject to change without notice.
